

# Summer Blowout in London, England

## Masons everywhere (and your families)

You are cordially invited to join your other Brother Masons in London and to share a very special invitation to attend at least one Masonic Lodge meeting hosted by the United Grand Lodge of England (UGLE) in their Freemasons Hall Sept, 16<sup>th</sup>, 17<sup>th</sup> or 18<sup>th</sup>, 2010.

*What a Hoot!* Think of it - London at the end of summer - the days are warm; museums are open; some of the best shopping in the world beckons; and, just maybe, the Queen will be in residence.

Don't forget Carnaby Street, Harrods, the Tower, Big Ben, Sherlock Holmes, and a favorite of mine - the Imperial War Museum plus the Changing of the Guard.

The UGLE has arranged a special (and private) tour through their Freemason's Hall, attendance at a Lodge meeting, and if the ladies wish it - a very special Ladies of the Table Saturday the 18<sup>th</sup>. Plus, I'm told a couple of receptions at which adult beverages will be served.

On this trip, everyone is free to make their own schedules - some may wish to arrive a week early and stay 'top drawer with a side trip to Paris; others may plan a much more modest trip with B&B accommodations and a minimum stay.

I have arranged for schedules and accommodations through Wanda's Travel (planners and organizers of world-wide arrangements) headquartered in Vermont and Connecticut - use your own travel agent or Wanda's Travel a call (Wanda will be cheaper) [wktravel@aol.com](mailto:wktravel@aol.com) (866) 384-9941 - just tell them you're going to London with the Masons and they'll set you up.

If you are planning to make the trip, please contact me as I have some special instructions, plus I need to keep the UGLE informed of attendees.

Hope to see you in London - pip, pip, and all that!
